Assumptions Used in Arriving at Fiscal Estimate

It is difficult to quantify a fiscal impact if this bill were to be enacted. It appears that there would be more waiver hearings in virtually all prosecutorial units. However, 17-year olds would not be eligible for juries (or pre-lims on felonies), but prosecutors make many time-consuming appearances in juvenile cases that are not made in adult cases (e.g. - revision hearings, sanction motions, etc.).

Long-Range Fiscal Implications

As stated above, it is difficult to determine what sort of fiscal impact the enactment of this bill would have. It would be worthwhile reviewing the statistics over time if the bill is enacted.
